Year 1 Multi-Sport competition

"Yesterday morning 30 of our Year 1 pupils met at Ireland Wood Primary School to take part in our Cluster Year 1 Multi-Skills competition. Four schools took part - Holy Trinity, Ireland Wood, Iveson House and Adel St John. The children were split into 3 teams of 10 and went around a circuit of activities which included football, volleyball (with balloons), boccia, curling and javelin. They had to demonstrate aiming skills, control skills, tactics and teamwork. On a very hot morning, the children were very well behaved and took part in all the activities with enthusiasm and focus. They were excellent at the aiming activities of boccia and curling and their javelin throws were fantastic. We also saw some fabulous football skills on show! Three of our Year 6 boys (Charlie G, Charlie E and Maluke) came along to help score and referee the activities and they showed very good leadership skills. At the end of the busy morning we congregated back in the hall to hear the results. We were very excited and proud to hear Holy Trinity announced as winners!! Another trophy to add to our collection! A big thank you to parents for coordinating drop offs at Ireland Wood in the morning and for providing the children with much needed water bottles and caps! Also a big thank you to Mrs Ingle who volunteered to help us and to Miss O'Brien for transporting the children back to school in the Ireland Wood mini bus. Miss Johnson and the Year 1 team."

Message from the the Governors

We are liaising with Councillor Barry Anderson (also a governor here at Holy Trinity) and Leeds City Council regarding the removal of a crossing patrol officer outside of school. Although, as a school, we have no direct control, we are concerned about the safety of our children and their siblings and will continue to look into the matter. If, in the meantime, you wish to contact Leeds City Council to express a concern, the number is 0113 3781820 (option 4). Thank you.

Parking

Some of our neighbours have contacted school this week regarding parking. Some cars both before and after school have blocked driveways and other cars have parked on the corner of a junction.

Rule 243 of the Highway code states that you are not allowed to stop or park:

- opposite or within 10m of a junction,
- where the kerb has been lowered,
- in front of an entrance to a property,
- on a bend

Please park with consideration to our neighbours and within Highway code regulations

PTA news

We hope all the children who attended the disco last week had a great time. We had a different disco host , Disco Rich, this time so would be interested in any feedback eg. whether children preferred him to Mr Shuffles?

24.6.17 Summer Fayre

We have space for 10 stalls for local businesses at the fayre. The cost will be £20 per stall. Please contact the PTA email address below if you are interested.

For the BBQ we are desperately in need of someone to co-ordinate cooking on the day. We also need a large BBQ and approx. 6 gazebos. Please contact the PTA email if you can help.

We are hoping to have some live music on the day. If you know of anyone in/with links to a local band who would be interested in playing at the fayre, please let us know via the PTA email.

A separate letter was sent last week with the newsletter giving details of the following :-

1. Dress down day on Friday 23rd June in exchange for bringing a bottle of anything so long as it is in date eg ketchup, squash, bubble bath or alcohol!
 2. The annual colour stall where each year group is asked to donate items of a specific colour for which we are asking for donations to be sent w/c 12.6.17.
 3. Cake stall. Please send donations to school on 23rd or 24th June.
- Don't worry if you did not receive this letter, we will send an update after half term.

This is our main fundraising event of the year so we really need your help to make it a success. If you are able to help in any way with either donations for the raffle/sponsorship or to help with the organisation of the fayre or help on the day , please, please, please do get in touch!

Thank you for your support.

HTGT 2017

We have had an overwhelming response this year so thank you! [Details of the audition process on June 12th and 13th after school will be coming home shortly after half term.](#) The auditions will be held in the school hall. We are currently considering ways we can ensure all children get a chance to perform, even if we cannot put all children through to the final at Ralph Thoresby on July 14th. Thank you ☺

The next PTA meeting will be held on **Wednesday 7th June 2017** at Horsforth Community Sports association at 6.30pm. We look forward to seeing as many of you there as possible. This meeting will focus on planning for the summer fayre so if you are able to help with organising the fayre, please come along.
