Policy Statement

Attendance Policy

Our school mission statement is:

THE BEST FOR EVERY CHILD.

All children are made in the image of God and loved unconditionally by God. They are all special and should be allowed to develop and grow in a nurturing environment secure in the knowledge that they are cherished.

25 Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another--and all the more as you see the Day approaching

Hebrews 10:25

The importance of regular school attendance and good punctuality cannot be over estimated. Regular attendance is a pre requisite to a good education and securing it is high priority for our school. By failing to attend school regularly, pupils diminish the value of education provided for them It affects their ability to achieve their full potential and of developing social skills. Frequent lateness also has a dramatic effect on a child's education. A child who is late for school, finds it more difficult to settle that day, they miss vital work, which then has to be caught up. It also disrupts lessons for the teacher and the rest of the children in the class.

Aims

Cookridge Holy Trinity Church of England Primary is committed to providing a broad, balanced and effective education for all the children who attend the school. We believe that regular attendance is of the greatest importance because children

- Have full access to the curriculum and are more likely to achieve their potential
- Are able to build relationships and develop social skills
- Are able to broaden their experiences
- Are able to develop self-esteem
- Are able to develop a more positive attitude to school and the world of work
- Are able to understand how important it is to be punctual and reliable
- Are able to develop a feeling of belonging
- Remain within the law

At Cookridge Holy Trinity Church of England Primary we do all we can to ensure that children attend consistently and that any problems that impede full attendance are identified and acted on quickly.

Our Expectations

We expect the following from all the children

- That they will attend school regularly
- That they will be punctual and appropriately prepared for the day
- That they will tell a member of staff about any problem or reason that may prevent them from attending school.

We expect the following from parents

- That they ensure their children do not have absences for inappropriate reasons
- That they ensure their children arrive at school punctually and well prepared for the day ahead
- That if medical appointments are made in school time letters/appointment cards to be shown at the school office.
- School holiday dates are published a year in advance and we strongly advise parents/carers to book their family holidays during school holidays. **Holidays in term time will not be authorised.** There may be exceptional circumstances, in which case please contact the Head teacher.

Unauthorised holidays may result in the issue of a £60 per parent per child penalty notice.

Parents and children can expect the following from school

Equal opportunities

At Cookridge Holy Trinity Church of England Primary we believe that every child has a right to a broad, balanced and effective education regardless of race, gender and special need. Where attendance and punctuality are poor this is not always possible, as the children do not have full access to the NC and opportunities available in school. To ensure equal opportunities for all it is essential that the importance of consistent good attendance is made a high priority through example, encouragement, close monitoring and support.

Safeguarding

By attending school regularly children and young people are kept safe, are able to access free school meals and access to other services, health care and education which increases their own emotional and physical resilience and therefore their ability to keep themselves safe when not at school. Persistent absence is often an early indicator of children/families with additional needs. Another key element of the strategy is the Children Missing Education (CME) protocol which requires input from all agencies to ensure as many pupils as possible are being tracked. Cookridge Holy Trinity Church of England Primary follows the Leeds protocol for children missing education.

Monitoring and review

The effectiveness of the attendance policy is monitored by the HT through regular analysis of information from registers.

This policy will be reviewed in September 2015
