LO: To add

Warm Up

[KS1 Maths: Number Bonds with Martin Dougan - BBC Teach](#)

LO: To add

If we are adding, is the number getting bigger or smaller?

Do you know any other words that mean the same as add?

LO: To add

add

more

How many
altogether?

plus

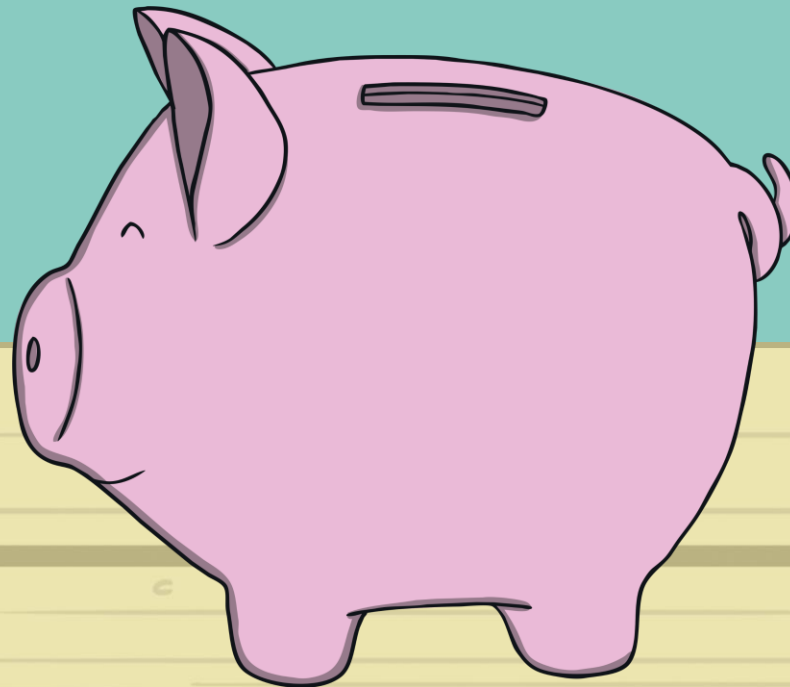

total

sum

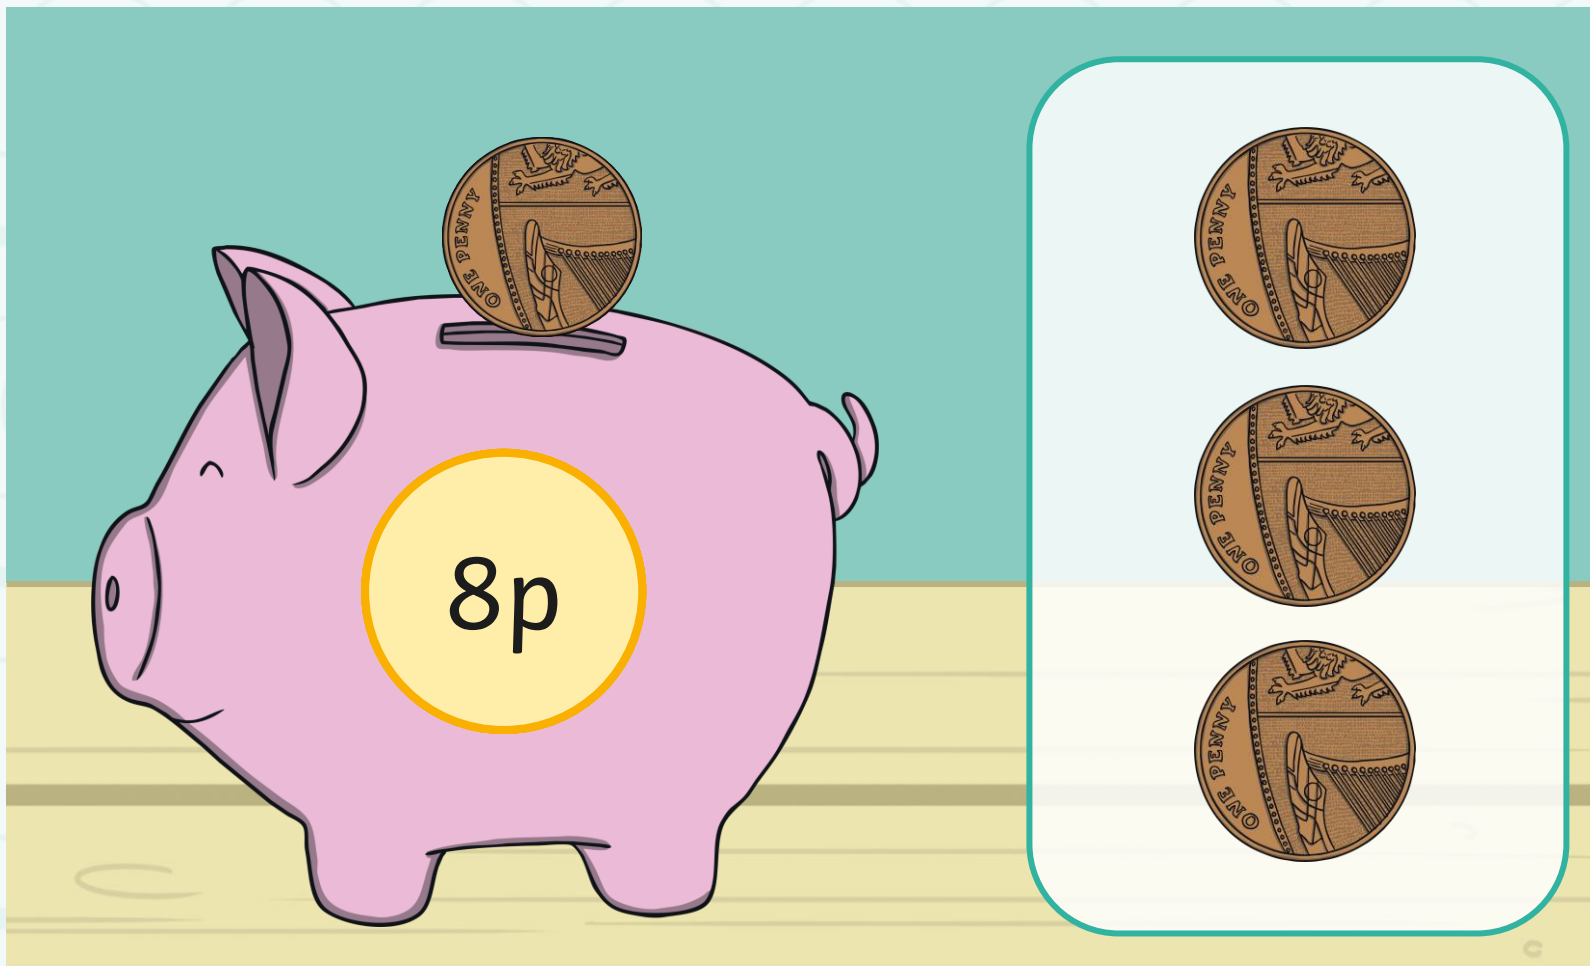

Piggy Bank

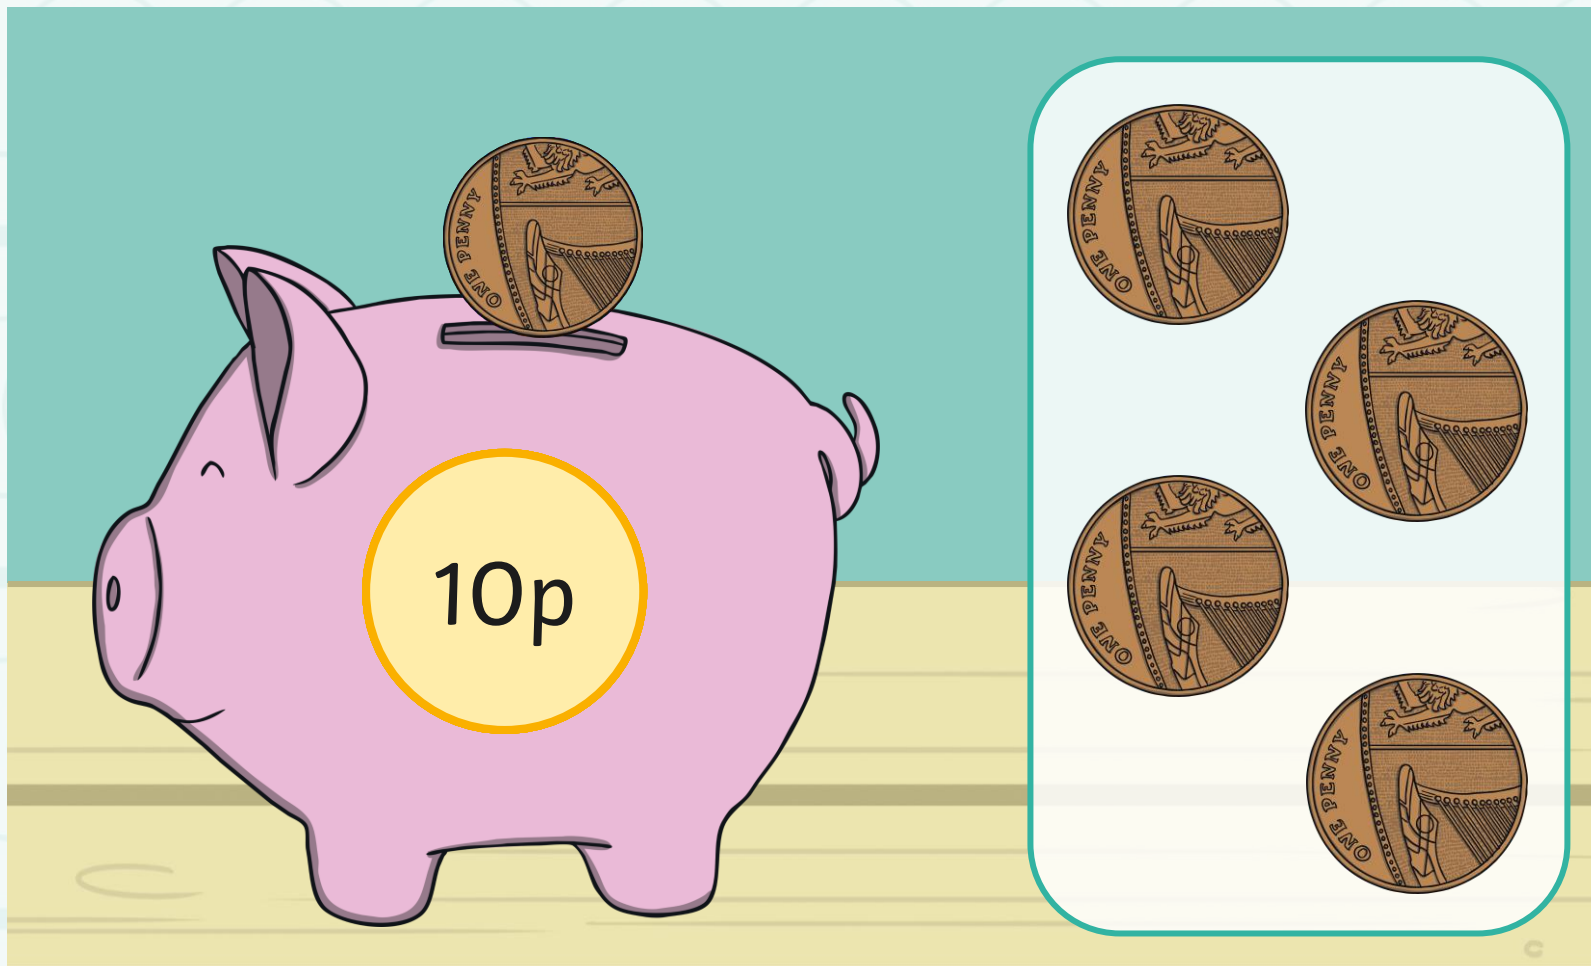

How much money is in the piggy bank?
Can you count on as the pennies go in to find the new amount?

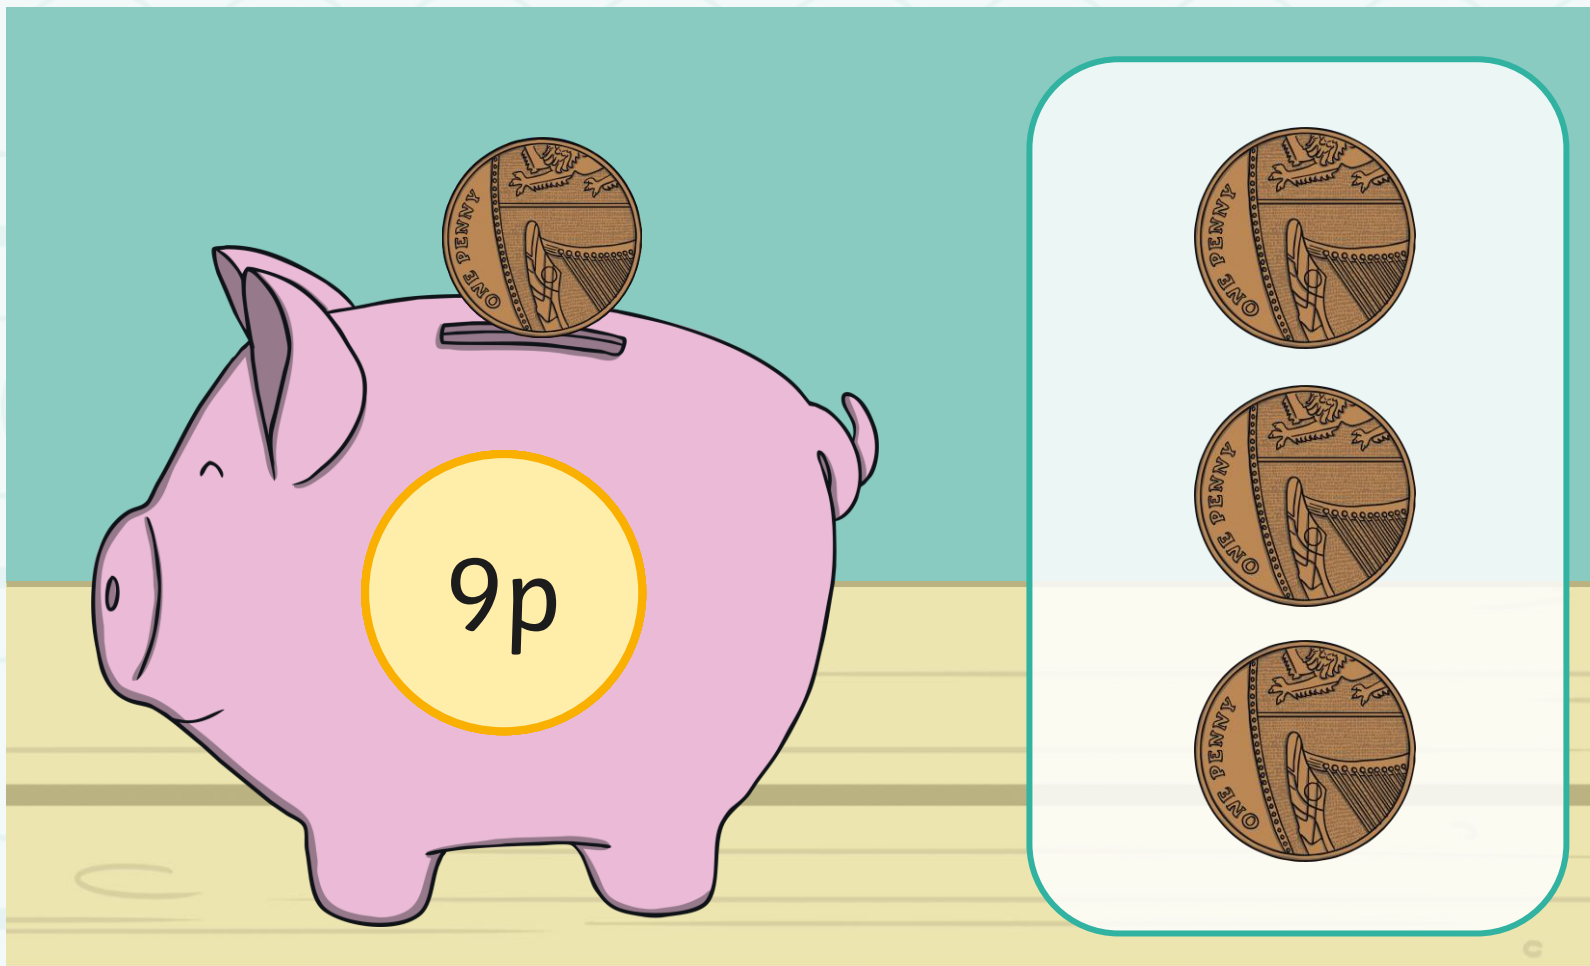

Piggy Bank

Piggy Bank

Piggy Bank

LO: To add

To add by counting on, hold the number in your head and count on from that number. You can use your fingers, counters or a number line to help you.

$$6 + 4$$

Hold 6 in your head and count on 7, 8, 9, 10.

$$6 + 4 = 10$$

LO: To add

Today, you will find a series of challenges.

There is a bronze challenge, a silver challenge and a gold challenge. Choose one of these and write the full number sentences in your book or on paper.
