

*The UK*

*Our topic for this half term is The Uk. Let's find out all about where we live...*

# Where do you live?

L.O. Use world maps, atlases and globes to identify the United Kingdom and its countries

What do you know about where you live?

Talk to someone in your household. Can you answer any of these questions:

- Where do we live?
- What city do we live in?
- What county do we live in?
- What country do we live in?
- What continent do we live in?

# Where do you live?

- Most of us live in a Cookridge, Horsforth, Holt Park or Adel.
- Our nearest city is Leeds.
- Leeds is in a county called West Yorkshire.
- Our county is one of many parts of a country known as England. Along with 3 other countries, England is in The United Kingdom (UK).
- The UK is part of a large group of other countries, known as a continent, called Europe.
- If you go to google maps or use a book called an atlas you can find all these places and see how it all fits together.

# The UK

- Using your atlas or maps can you find the four countries that make up the United Kingdom and mark them on the map?
- Can you also find Leeds and London, our capital city?
