

Welcome to Cookridge Holy Trinity Church of England Primary School

Your child will be attending school ~~full-time~~ from now on. Start time is at 8.50am. Please wait outside the reception outdoor wooden gate at 8:50am where they will be greeted by the teachers. Parents are not allowed through the Reception gate – please pass any messages on to the member of staff greeting your child (or you can put messages on Tapestry/via email).

Please collect your child at 3.20pm (we finish slightly earlier than the rest of school to allow parents and carers time to collect older siblings in school.) Please enter school via the school office gate and form a line in the Reception outdoor area. When you get to the front, please say your child's full name to the teachers on the door and they send your child down the ramp to you. Please exit the Reception area promptly via the wooden gate to allow us to call the next child.

Please check. . .

- Have you labelled your child's clothing with their name?
- Have you got a labelled water bottle (filled each day with water only)?
- Have you sent a small photograph for your child's peg?
- Have you shown your child's birth certificate to the office staff?
- Have you set up your Tapestry account?
- Have you brought in a labelled drawstring bag containing a pair of wellies?

Other key information:

- In the morning, please stay in the main playground. Please do not enter the reception outdoor area as it will be set up for the day.
- Children must not play on the outdoor equipment before or after school, for their own health and safety as we are not insured at these times.
- Your child will do PE on Wednesday afternoons. We won't be starting PE until we are settled (we will let you know when we are starting). Please send your child in their PE kit on Wednesdays once we have confirmed that PE has started.
- School lunches are free for all children until they are in Year 2. You can select your child's lunch online – please ask at the office for more details. Alternatively, you can send your child to school with a packed lunch – please ensure that this is clearly labelled with their name and year group.
- If anyone different is collecting your child, please call the office.
- Ensure you have set up a parent pay account and that any details are correct.
- If you have any changes to your personal details (address, telephone number etc.) please let the school office know.
- If your child has an inhaler or any allergies/medical conditions, please let your class teacher know immediately as well as filling in this information for the office.

We are very excited to be starting this school year with your children. If you have any questions, please ask a member of staff.

Thank you

Mrs Bowman – EYFS lead and RB class teacher

Miss Curtis – RC class teacher

Miss Taylor – Teaching assistant (Mon-Wed)

Mrs Watson – Teaching assistant (Mon-Fri)
